Facts about the artist:

- She has always had a fascination for the universe, far away planets and stars.
- She is inspired by her imagination, allowing her mind to wander through space and time.
- She loves to create idealistic landscapes, skyscrapers, sunsets and beaches.
- Her paintings are created to inspire the viewer to enjoy their own personal journey of reflection, bringing peace within their thoughts by allowing the mind to rest and contemplate, away from hectic surroundings, to help lift the spirit.
- When she paints, it's as though she is inside the picture. She puts her heart and soul into every creation to help inspire the viewer to pause and reflect.
