

Topic: Art

Year 2

Strand: Landscapes and cityscapes

Name	Jean Metzinger
Born / died	1883 – 1956
Nationality	French
Style	Bold, geometric shapes creating portraits and landscapes—cubism
Media	Oil on canvas

Vocabulary:

Topic related vocabulary:

landscape	an area of land or direction of paper
cityscape	an urban scene or landscape
cubism	a style of art using shapes and blocks, created in Paris around 1907
Neo-impressionism	brighter, bolder colour versions of impressionism
impressionism	a quick painting style using bright, thick strokes of colour

Facts about the artist:

- Metzinger lived in Paris, around the time when lots of artists were meeting to swap ideas and create interesting pieces, in different styles from those created previously.
- He was interested in painting, mathematics, music, and science.
- He worked as a professional artist from the age of 20.
- Metzinger painted lots of landscapes, using large brushstrokes and vivid colours.
- He painted in a style that became known as 'Neo-Impressionism'.
- He later became one of the founders of an art movement called Cubism.
