News Story of the Week

The 2024 edition of the Guinness World Records has been released. This year, over 30,000 applicants submitted their achievements, but only 2,638 records were selected for the edition, which features more than 80% new and updated records. The annual collection of records has run since 1955, when it was first inspired by the question 'What's the fastest game bird in Europe?'. Its latest edition is themed around the Blue Planet, with a number of records celebrated, including those set by impressive marine creatures, adventurous sailors and record breaking lakes, rivers and icescapes.

Things to talk about at home:

- Do you know any world records?
- If you were to attempt a world record, what do you think you would try to do and why?
- What do you think the benefits would be of setting or breaking a world record?

Next race Monday 16th October at Birkenhead Park.

Tag Rugby

On Wednesday, a Year 5 and 6 Tag Rugby Team took part in a friendly competition at Birkenhead Park Rugby Club and represented the school showing amazing TEAMWORK. They played 4 matches losing 1, drawing 2 and winning 1. Well done to them all.

They are very much looking forward to working alongside the huge number of other volunteers from across the school community and are very grateful for all of their contributions.
