Dear Parent/Guardian of children in FS2 (Reception),

**Have you got an active child, who loves playing with balls and needs some new stimulation?**

**Bats&Balls is a successful ball-skills club for children aged 2-7, running in schools and other venues across the Wirral!**

This is a great opportunity for children to practise their hand-eye co-ordination through throwing, catching, rolling, dribbling, kicking and hitting activities, with some colours, numbers, listening skills and physical activity thrown in!

Sessions are run by a very experienced primary school teacher & tennis coach, Helena Gracie, who has been playing tennis, table-tennis and other ball sports since an early age. She reached national level in tennis, coaching in the UK & New-Zealand to a high level and has taught children both inside the classroom and out for many years.

Children become Bat-boys and Bat-girls for the duration of the session, having the chance to play with lots of fun equipment that will help them to advance their skills and they all get a snack and sticker at the end!

The course will run during the 2<sup>nd</sup> Spring half-term, beginning **Wednesday 27th February** and ending **Wednesday 27th March**, after school in the sports hall (3.30-4.30pm).

The cost will be £25 & bank transfers can be made to **Helena Gracie** :- 40-22-26 91628186 with the child's name as ref. Details can be sent through on our facebook page as above or on the slip below and sent to:-**20 Coombe Road, Irby, Wirral CH61 4UR**.

Yours faithfully  
Helena Gracie
