

KS1 Reading Domains

As children become more confident readers, there becomes a greater focus on comprehension. At the end of Year 2 and Year 6, the children have their reading assessed by taking a SAT. The test is designed to assess a range of comprehension skills which have been categorised as 'Reading Domains'. This leaflet outlines these domains and gives you examples of the type of questions you could ask at home to address each one. When reading at home, please try to use this type of questioning as often as possible.
