- Strongly disagree
- Don't know

My child has good opportunities to take part in clubs and activities at school.

150 responses

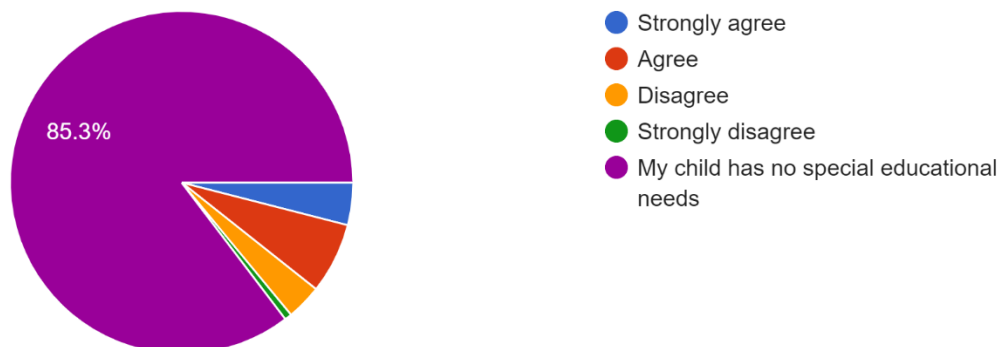

My child has been bullied and the school dealt with it quickly and effectively.

150 responses

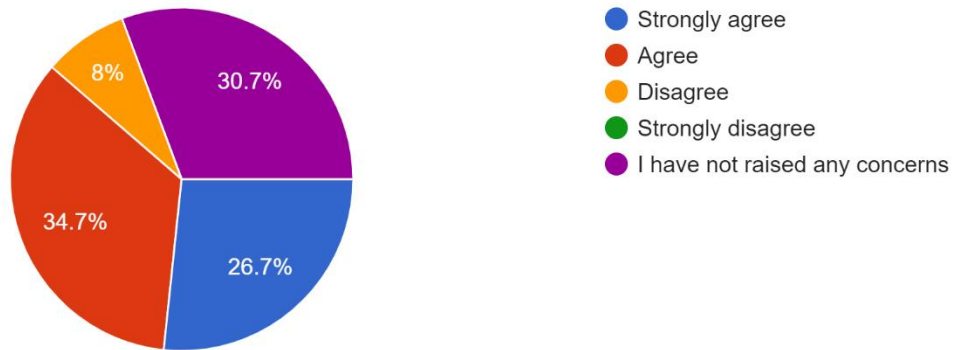

My child has special educational needs and the school gives them the required support to succeed.

150 responses

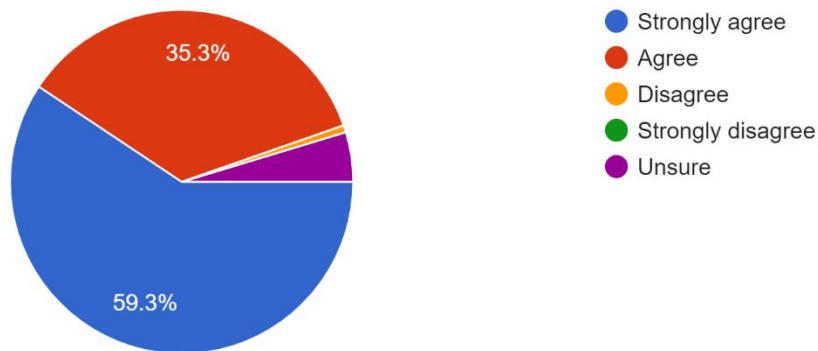

When I raise a concern with the school they deal with it promptly and effectively.

150 responses

I would recommend the school to another parent.

150 responses

## Summary

I would like to thank parents and carers that completed the recent Oak Academy Trust parent/carer survey. The results have been added to the school website and can be seen through this link.

Your survey responses help us to evaluate everything we do at the school and provide staff and governors with valuable information for future planning. As a whole staff team we really do appreciate your feedback, and the recognition of the good work that we do is highly motivating and rewarding for all staff.

Overall the survey responses received were very positive, with the majority in 'strongly agree' or 'agree' categories. There were many very positive additional comments that I will share with staff.

Your survey responses have also helped us identify areas to further develop.

➤ **Review the amount and type of information given to parents about their child's progress and attainment throughout the school year.**

During the course of the Covid-19 pandemic we have lost some of the natural opportunities we would have normally had for keeping you informed about your child's learning e.g. coming in to see their books.

However, I do recognise that this is an area we can do much better at. I have a number of ideas around how we can do this and over the course of the next few months I hope you will see a positive change in this area.

➤ **Review the range and amount of extra-curricular clubs on offer.**

From September we have been up and running with our extra-curricular provision. We currently have 18 extra-curricular clubs running per week ranging from art club to judo to choir. The full list can be viewed on the school [website](#). We will continue to look for further clubs that we can offer as well as consult with the pupils about what type of clubs they would like so that we can offer the best possible opportunities.
