

## **Additional Home Learning Opportunities**

### **Year 6 Spring 1**

The following links have been provided for those children wanting to do additional home learning. The lessons and activities link with the topics being learnt in school this half term.

#### **Science**

The links below give some further reading and activities on electricity, our science topic for this half term:

Circuit symbols: <https://www.bbc.co.uk/bitesize/topics/zj44jxs/articles/zqryn9q#zfx44xs>

Electrical components:

<https://www.bbc.co.uk/bitesize/topics/zj44jxs/articles/zrd2qfr#zr7ddp3>

The link below will take you to the Oak Academy website, and a series of lessons on electrical circuits, circuit diagrams, insulators and conductors, and other related topics:

<https://classroom.thenational.academy/units/electrical-circuits-06f7>

#### **Geography**

The BBC link below leads to wide range of information and activities on various geography skills. There are all useful for widening your understanding, but the following sections will be particularly relevant to our topic for this half term, which is on **mapping skills**:

- Mapping the world
- What is a map?
- What is a map used for?
- Understanding contours, keys and symbols
- How to read contours, keys and symbols
- How do we map the world?
